TERMS & CONDITIONS:
1. Please review Terms & Conditions attached to this bill.
2. For more information please visit: www.wavlayer.com

Terms & Conditions:

1. This is a package deal. The services included in this package deal are fixed and are not subjected to change in the middle of the process. Any extra service requests or recording time will be charged according to the Wavlayer Rate Sheet with applied discounts due to package deal.
2. The client will get in total 1 hour(s) of Recording Time in the Wavlayer Studio as a part of this package deal, any extra studio time required by the client will be charged @ the discounted rate of 500/- per hour.
3. Only 1 beat can be selected by the artist from the Wavlayer Beatstore, as a part of this package deal and cannot be changed once the recording has started.
4.
 - a. This Selected Beat IS NOT EXCLUSIVE to the artist as a part of this package.
 - b. The Rights are split 50-50 with Wavlayer Recording Studio with the Studio getting the producer, Composer & Engineering credits.
 - c. This also gives Wavlayer Recording Studio the rights to further sell the Composed beat or elements of the composition, melody, drum pattern etc. unless exclusive rights are purchased by the artist \ client.
5. Cancellation by the artist \ client in the middle of the process due to creative differences or any other reason will be charged at 50% of the total amount. The artist \ client will not be eligible for any refunds once the 1H recording is completed.
6.
 - a. This package **does not** allow the artist \ client to make any changes or alterations to the beat \ composition \ arrangement. Any changes requested by the artist to be made in the beat, instruments, and arrangements will have an extra cost of 500/- per track.
 - b. If the song requires to be shortened, without disturbing the original instruments and track arrangement will be included as a part of this package with no extra costs.
 - c. The artist / Client will get ONE CHANCE to suggest change in Vocal FX or Mixing, after the final Mix of the song is submitted to the artist by Wavlayer Recording Studio and before the Mastering process. Any extra requests or changes will cost 500/- per iteration / export.
